

The SON  
helps kids grow...

- ❖ **Spiritually** - We offer an age-appropriate curriculum in which Christian beliefs and values will be shared.
- ❖ **Emotionally** - We offer a safe, nurturing environment where the individual child will be valued.
- ❖ **Physically** - We offer a variety of large and small muscle activities to build strength and coordination.
- ❖ **Intellectually** - We provide an environment rich with varied learning experiences which are age-appropriate and intellectually stimulating.
- ❖ **Socially** - We provide guided interaction with peers so children can learn appropriate social skills that they will continue to use throughout their lifetime.

...so they  
can shine  
for Jesus!

### Mission Statement

We believe that every child deserves the opportunity for a high quality educational experience. We recognize that each child is a unique and multi-talented individual.

We will strive to build each student's strengths to help him/her grow spiritually, emotionally, physically, intellectually, and socially, in order that he/she may become a contributing Christian in family, church, community, and world.

### Philosophy

SONSHINE CHRISTIAN PRESCHOOL believes each child is to be accepted as an individual child of God. Each child has unique qualities and abilities that make them special. The sharing of Christian beliefs and values will be integrated in a natural way, into every facet of the preschool. We will provide a safe, nurturing environment, fostered and supported as part of the mission and ministry of Holy Trinity Lutheran Church.
