

## **INTERIOR SPACE TEAM**

1/17/12

### **Mission Statement:**

The Interior Space Team will be a trusted source for creating enhanced visual aesthetics within HTLC which will communicate a welcoming atmosphere to both HTLC members and visitors.

**CHAIRPERSON:** Deb Miller

### **GUIDING GOALS/PRINCIPLES:**

#### **Collaboration**

The team will collaborate with church council, pastor, staff, Sonshine, ministry teams, and congregation to create a harmonized and coordinating interior space for HTLC within which all can share the good news of Jesus Christ.

#### **Partnering**

The team will invite, utilize congregational volunteers to assist, thereby building a sense of community. We thereby partner with others in the Christian faith to expand our ability to spread the gospel within and outside the HTLC community in a loving, fiscally responsible and socially acceptable manner that follows the doctrine of the Evangelical Lutheran Church in America-ELCA.

#### **Innovation**

The team will welcome and help create, develop projects for all ages, thereby creating inclusive, educational, and informational experiences for all as we base those projects on carrying out the mission of HTLC.

#### **Transparency**

The team will communicate with each other and those we serve in an honest, respectful manner that builds opportunities for two way communication to create a culture of trust and accountability within the HTLC community of faith, allowing us to collectively share the good news of Jesus Christ and continually enhance the image of HTLC.

#### **Integrity**

The team will serve with gratitude and seek the best for those we involve and serve. Our performance will be visible across the HTLC ministries through our words and actions.

#### **Quality**

The quality of the visual communications created by the Interior Space Team will be a reflection of HTLC as it carries out the mission of the congregation.
