MEET CASEY FREMSTAD!

Director of Children, Youth and Family Ministry

I am from a very small town in Wisconsin called De Soto, along the beautiful bluffs of the Mississippi River. I graduated from Viterbo University in La Crosse, WI with a Bachelor of Arts in Religious Studies and Theology and a double minor in Arts Management and Theatre.

My first interest in youth ministry came from serving at Sugar Creek Bible Camp in Ferryville, WI the summer after my freshman year of college. Serving as a horse wrangler was absolutely life-changing & it showed me what it meant to be a servant leader. I returned the next summer as a high school counselor and I also served on the praise team as a singer both summers. Last summer, I accepted an internship in Ocean Grove, New Jersey as a youth intern and spent the summer on the beach helping youth invest in a relationship with Jesus. Both of these experiences have deeply impacted my life and passion for working with youth and serving in ministry.

I am so unbelievably excited to be a part of the HTLC community & also to be a key member of the HTLC CYF program! I am incredibly passionate about relational ministry and cannot wait to cultivate space and time for children and youth of all ages to experience the love of Jesus Christ through programming, friendships, service trips, small groups, bible study, event nights, worship, and unstructured hang time!

IT'S A BAPTISM PARADE!

What time? Immediately following Sunday's online worship

Where do I go? First Bank & Trust Parking Lot

What do I need to do to prepare? You don't need to do anything, you coming and driving through is enough. You are welcome to have fun and decorate your car, make a poster, etc if you want.

Do I need to worry about COVID-19 exposure? Our Risk Management Team encourages you to keep your car windows up so ALL can participate fully and safely.

Why are we gathering? To welcome our newest member in faith - Andi Mae Fadden!

What will this look like? How long will it take? Meet in the First Bank & Trust parking lot around 10 am. We will have one car leading all cars slowly driving through the parking lot where the Fadden Family will be under a tent. Our estimate is this will total approximately 15 minutes.

What if I want to give a card or gift?

Please contact the Fadden Family directly.

Who is invited? Anyone who wants to represent HTLC or the greater church to welcome Andi Mae!

PASS THE BASKET

We need your help creating a [fun video](#) for our online worship. You just need to find a basket in your house, sit near your family, start with the basket off camera and pass it from left to right. Send your video clips to [Angela Schoenbauer](#).

MISSION OUTREACH

The **Little Free Pantry** is expanding! We're adding two more pantries to keep food and non-food items separated. Thank you to Jon Bergquist for building our new additions!

RADIO BROADCAST

KIDS CONNECTION

We're highlighting our Sunday School Teachers!

Get to know Kris DeLuca!

What has been a bright spot during the COVID-19 social isolation? *It has been good for us as a family to have a slower pace of life. It has also given us a greater appreciation for the blessings we have.*

If you could interview any Biblical figure, who would it be? What would you ask? *Noah. I would want to know what he missed the most while he was in the ark.*

Favorite HTLC event... *Ribfest because of the great food, great community and fellowship. It is one of the canceled events this summer that I will miss the most.*
