## WHAT IF 2020 ISN'T CANCELED

What if 2020 isn't cancelled?

What if 2020 is the year we've been waiting for?

A year so uncomfortable, so painful, so scary, so raw - that it finally *forces* us to grow.

A year that screams so loud, finally awakening us from our ignorant slumber.

A year we finally accept the need for change.

Declare change. Work for change. Become the change.

A year we finally band together, instead of pushing each other further apart.

2020 isn't cancelled, but rather the most important year of them all.

- *Leslie Dwight*

June's sermon series will focus on the story of Jonah, how he ignored God's call and what forced him to change. We'll examine how Jonah's struggle imitates our lives in 2020 and how we can listen to the scriptures to put an end to the injustice that penetrates our lives. ### Get to know Jenny Walser

**What has been a bright spot during the COVID-19 social isolation?** *I enjoyed having our lives slow down and having more family time. Even though I missed the girls' activities, we found many new family activities.*

**Favorite COVID-19 "Lockdown" Activity -** *I enjoyed making cookies with the girls and having a Lemmiwinks from the brewery in town.*

**Share one Dream you have for the future of HTLC -** *My dream for Holy Trinity is to have a place for our girls to grow in their faith, a place they enjoy going to and a place that they want to be involved in.*

**Favorite HTLC moment ...** *I loved all the videos the pastors and others made - their welcome video on the football field and the back to church videos in the fall.*
