

CHILDREN'S MINISTRY

Welcome!

We are so glad that you are here! My name is Casey Fremstad and I am the Director of Children, Youth and Family Ministry at Holy Trinity Lutheran Church. At Holy Trinity, we believe that it is important to cultivate meaningful faith formation experiences so that those of all ages can know the love of God! We are passionate about connecting youth programming with worship, and encouraging continued faith formation in the home! As we look to start programming in the fall we are excited to embark on new adventures and continue learning from the wonderful students that we have the joy of walking alongside with on their faith journey!

Orange Curriculum

This fall we will be using a new curriculum known as "Orange." This dynamic curriculum partners faith formation in the church with faith formation in the home. We know that it can be stressful to come up with home faith formation routines or rituals on your own, so we have plenty of resources and ideas that we will be sharing with you as a part of this new curriculum!

Wednesday Night Programming

Life has changed for all of us as we learn to develop a new "normal" during this uncertain time. This fall we are combining our Sunday morning Children's Ministry programming with our Wednesday night programming. Our Children's Ministry programming will start with a video lesson filled with stories, music, and fun, and follow up with a virtual small group time beginning **Wednesday September 23rd at 6:00pm.**

First Communion

For those who missed their First Communion this past spring, we are holding a special Sunday evening service for our First Communion students on **Sunday, October 11th**. In preparation, we will have an online Communion Class. We will connect with current 5th grade students with more details, but if you would like to be added to that list, please contact me at the email listed below in the registration details!

Calling all Middle and High Schoolers!

Pastor Ben and I are beyond excited to start faith formation with our middle and high schoolers this fall! We will be partnering our current Confirmation curriculum with our new Orange curriculum for our middle schoolers, and cultivating continued faith formation experiences for our high schoolers. It is our hope that our students are able to form friendships, engage in meaningful discussion, learn more about their Lutheran faith, and most importantly, experience the love of God through meaningful experiences and relationships!

Confirmation

This fall, our confirmation classes will meet online starting **Wednesday September 23rd**. A large group video will be available Wednesdays at 6pm, followed by zoom small groups to follow. Students will also sign up for one of these service teams: Music Team, Scripture Reading Team, Little Free Food Pantry Team, Children's Ministry Skit Team, or the Social Media Team.

High School Youth Group

We care about supporting our high school students. As we seek to make a ministry plan for the year, we invite our high school youth to a campfire night at church on **Wednesday September 16th at 8pm**. Please bring your mask and a lawn chair!

Child Protection Policy Training

There will be an online Child Protection Policy Training for any adult volunteer looking to serve and lead our youth in any of our CYF programs. If you are interested in serving as a volunteer in our CYF programming please contact Casey Fremstad at: youth@holytrinityonline.org for more details!
