THE FATHER'S CALLING

By Rose Fife, Communications Specialist

Tim Price feels he is finally heeding God's plan for his life.

"God got real tired of me ghosting his phone calls," he told me during a recent interview. "I think we all have callings and I think we all have opportunities to do things God wants us to do. I'm very fortunate that this has become a no-brainer for me."

Guitarist Tim Price [announced his resignation from the Holy Trinity staff](#) to work full-time with his nonprofit ministry, [Faith, Recovery & Music](#). "The idea is to be a presentation ministry where we go to different churches, teen centers, treatment facilities, prisons... wherever we can bring our testimony. It's all based on the faith and forgiveness of Christ. We share our personal stories and we do that through words and a whole lotta music."
