A CHANGE OF DIRECTION

By Rose Fife, Communications Specialist

Karen Taylor radiates joy as she tells me about ripping up walls and tearing apart wooden structures. Through the Zoom video, behind her I can see a stripped ceiling and evidence of other house projects on their new home on Lake Zumbro.

"It was time to downsize," says Taylor of the New Prague home she shared with her husband, Dr. Rob Taylor, and their two sons, Joe and John. The Taylors recently sold their home when their sons graduated this spring (Joe from UND and John from NPAS), and found they did not have time to mow their 10 acres or plow a long driveway full of snow, formerly the boys' responsibility.

But she's not leaving HTLC! This **Sunday, June 27**, will be Ministry Coordinator Karen Taylor's last service before she transfers to remote work and her new official title as Web Manager.
