HOLY TRINITY
LUTHERAN CHURCH

ALL GOD'S CREATURES

By Karen Taylor, Web Manager

We learn in the book of Genesis that God created animals before Adam and Eve. It was much later when animals were domesticated and became companions to humans. Pets bring us comfort and happiness along with teaching us how to care for something else besides ourselves. My husband and I were dog-parents long before we were human-parents....and it was great training!

At Holy Trinity, we understand the importance of pets in our lives. The 2019 Blessing of the Pets was a huge success, so we're bringing it back. Whether your pet is large or small, you can bring them all to receive a blessing.

We ask that all pets remain on a short leash or secured (in a cage or owners arms) throughout their visit to church. Owners are responsible for cleaning up after their pet. In case of rain, the Blessing of the Pets will be postponed one week.

We hope you can **join us THIS Wednesday at 5:30 pm for supper and the Blessing of the Pets worship service at 6:00 pm!** All are welcome!
