WELCOME TO A NEW YEAR!

By Casey Fremstad, Director of Children, Youth & Family Ministry

As summer lake days, sporting events, and family vacations come to an end, new beginnings filled with excitement are just around the corner. At Holy Trinity, we believe it's important to cultivate meaningful faith experiences so everyone knows the love of God! We are passionate about connecting youth programming with worship, and encouraging continued faith formation in the home.

The ongoing pandemic still presents several questions, but we are taking each day as it comes and making sure the safety of our families is our top priority. As a church, we want our youth to feel encouraged and uplifted in their faith. We want them to hear about Christ's empathy and feel loved by God and their church family. We want them to know they, too, have a role in God's creation. We look forward to an exciting fall planned for our CYF Ministry and can't wait to enter into this new chapter with you!
